

Week 4 | Day 1

What you will teach today...

1 2 3 4 5 6 7 8 9 10

Speaking

This morning I ate ...

New sound

u

Shared reading

Food packets

Handwriting

circles

Today learners will...

talk about breakfast in full sentences · recognise and say the sound **u** · blend **mu** · read logos and words on food packets · read the book **Mme o a mema** · draw circles.

Materials

a picture of breakfast foods, letter and syllable cards, food-packet poster, group readers, paper, pencils and crayons

= say this aloud plain text = do this I do We do You do walk around the classroom Check

1 Listening and speaking

15 min

- ⦿ Learners talk about what they ate this morning and answer questions about themselves in full sentences.

Today we will tell each other what we ate this morning and the food we like.

a picture of breakfast foods (pap, bread, tea, milk)

1.1 Remember last week

We do 3 min

Last week we learnt about our bodies. Point to your **head**... Now point to your **knees**. Who can tell me the name of another part of the body?

- ✓ **Check** Call on two or three learners — girl, boy, girl — each to say one word.

1.2 I tell my news

I do 4 min

I will tell you my news from this morning. Listen.
What did I eat this morning? **This morning I ate** bread. **I drank** tea.
Which food do I like? **I like** pap and meat.

Write on the board

This morning I ate ...
I drank ...
I like ...

1.3 Pair talk

You do 6 min

Talk to your partner

A: What did you eat this morning?
B: I ate ____.
A: Which food do you like?
B: I like ____.

Example: A says: What did you eat this morning? B says: I ate pap.
Learner A asks first, learner B answers.
When I clap twice, swap.

Walk around the classroom. Listen for learners answering in a full sentence, not just one word.

1.4 Sharing

We do 2 min

- ✓ **Check** Call up two pairs (girls and boys taking turns) to ask each other in front of the class.

If many learners answer with one word → repeat your example on the board, and everyone repeats the full sentence with you.

2 Phonics

15 min

- ⦿ Learners recognise and say the sound **u**, and join it to **m**: **mu**.

letter cards: a e i o u m, syllable cards: ma me mi mo mu

2.1 Revise the letters we know

We do 2 min

When I point to a letter, say its sound. Are you ready?

Letters we know

a e i o m

2.2 Teach the sound u

I do

4 min

Show on the board

u

This is the letter **u**. It makes the sound u.
The cow says: **muu**!

Make your lips small and round: uuu. My turn: u. Your turn...

I will say some words. Put your thumb up when you hear the sound u.

Say the words...

muu

dula

nku

kgomo

bua

metsi

2.3 Join m and u

We do

5 min

Aa m + vowels

m + a

m + e

m + i

m + o

m + u

ma

me

mi

mo

mu

Look: **m** and **u** make **mu**. My turn: m... u... **mu**. Your turn!

Now everyone: m... a... **ma**. m... o... **mo**.

Do not blend the syllables for them. Let them blend on their own.

2.4 Read and show

You do

4 min

Read these words

mu muu ma-ma mme e-ma
me-ma

When I point to a syllable, say the syllable.
When I run my finger under a word, read the whole word.

✓ **Check** Call on three learners (girl, boy, girl) to read **muu** and **me-ma**. Then say: Thumbs up when the syllable has u: ma, mu, mo, mu. Check that everyone's thumb goes up at the right time.

⚠ **If** half the class cannot blend → tomorrow start with **ma** and **mu** only before teaching the new sound **n**.

3 Shared reading

15 min

🕒 **Learners read logos and words on food packets together with the teacher, and talk about where they see them.**

📋 large food-packet poster (milk, bread, water, tea), a pointer stick

3.1 Look at the poster and predict

We do

2 min

Before the lesson, stick 4 food packets on the poster and write the name of the food under each one in large letters.

Look at this poster. There are food packets.
What do you see?
Which words do you think we will read today?

3.2 I read and point

I do

4 min

I will read each word and point to it with the stick, from left to right. Listen and watch the stick.

📋 **Breakfast food**

lebeso

bohobe

metsi

tee

3.3 We read together

We do ⌚ 5 min

Now we will read together. When I point to a packet, read the word under it.

Who can come to the board and point to the word **metsi**? Which sound does it start with?

Check that all learners are looking at the poster and reading with you.

3.4 Questions about the poster

You do ⌚ 4 min

Question 1

recall

Which foods did we see on the poster?

Answer: Milk, bread, water, tea.

Turn to your partner and whisper the answer. Then I will call on two learners to say it.

Question 2

think

Where do you see these words at home or in the shop? Why is it useful to know them?

Answer: Answers will vary; ask the learner to explain why.

4 Group guided reading

⌚ 30 min

- 🕒 Learners read a new food reader aloud with the teacher's guidance, using the sounds they know (a e i o u m).

graded group readers, paper and crayons

4.1 Organise the groups

I do ⌚ 2 min

Today

Group 1 Reads with the teacher: the short book **Mme o a mema** (Mother invites us).

Group 2 Works alone: draw the food you ate this morning and write **mme** underneath.

Group 2, take paper and crayons. When you finish, write **ma** three times.

4.2 Group 1 with the teacher

We do ⌚ 13 min

Hold the book properly. Look at the picture. Who do you see? What are they doing? Now point to the first word. Read it: **Mme**.

Mme o a mema

Mme. (Mother.)

Ke mme. (It is mother.)

Mme o a ema. (Mother stands.)

Mme o a mema. (Mother invites us.)

✓ **Check** Listen to each learner read one line aloud. Note down the words they cannot read.

4.3 Swap the groups

You do ⌚ 15 min

Group 2 reads with you; Group 1 draws and writes. Repeat the same steps.

Need support: Read each word together, pointing for them with your finger.

Finish early: They find every letter **m** on the page and count them.

5 Handwriting

⌚ 13 min

- 🕒 Learners draw rows of circles, going round to the left (anticlockwise), to prepare for the letters **o** and **a**.

unlined paper, pencils or crayons

5.1 Show on the board

I do ⌚ 3 min

Show the circles

o o o o

Watch: I start at the top. I go round to the left, down, up, and close it. Each circle stands next to the other, from left to right.

5.2 Write in the air

We do ⌚ 2 min

Everyone stand up and raise your hand. Together: top, round, down, up, close!

5.3 Learners practise

 You do  8 min

Draw circles

Start at the top, go round to the left, and close.

 Check that learners hold the pencil correctly and start at the top.

Need support: Hold the learner's hand and draw one circle together.

Finish early: They draw a row of small circles and a row of big circles.

Lesson recap

 2 min

Ask the class these questions to recap the lesson.

Let us go over what we learnt today...

Speaking

Tell me what you ate this morning in a full sentence.

Phonics

What sound does the letter **u** make?
Read: ma, me, mi, mo, mu.

Reading

Which words did we read on the food packets?

Handwriting

Draw a circle in the air. Where do we start?

 End of lesson

Informal assessment (CAPS)

- Can the learner link the letter **u** to its sound?
- Can the learner blend m and u (mu)?
- Does the learner answer questions about themselves in a full sentence?

Tomorrow

- New sound **n**: na, ne, ni, no, nu; words **nama** (meat), **nna** (me).
