What you need

wordless big book about friends, cards: ca ce ci co cu, group readers, paper and pencils

= say this aloud plain text = do this I show We do it together You do it on your own walk around the classroom ✓ Check

1 Listening and speaking

🕒 15 min

- 🎯 Learners tell news about a game they played with a friend and answer questions with one word: **yes** or **no**.

Today we talk about the games we play with our friends.

1.1 Recap last week

We do it together

🕒 3 min

Last week we talked about animals at home. Remember...

Who can tell me the name of an animal we keep at home?

- ✓ **Check** Call on two or three learners — girl, boy, girl — each to say one animal name.

1.2 I tell my news

I show

🕒 4 min

I am going to tell you my news. Listen.

At the weekend **I played ball with my friend Noma**. We laughed a lot!

Did I play with my friend? **Yes**. Did I play alone? **No**.

Write on the board

I played ... with my friend.

Yes.

No.

1.3 News in pairs

You do it on your own

🕒 6 min

Turn to your friend

A: What did you play with your friend?

B: I played ___ with my friend.

A: Were you happy?

B: Yes. / No.

Example: A says: "What did you play with your friend?" B says: "**I played ball with my friend.**" A says: "Were you happy?" B says: "**Yes.**"

Learner A asks first, learner B answers.

When I clap twice, you swap.

Walk around the classroom. Listen for learners answering with yes or no, and telling their news in a full sentence.

1.4 Sharing

We do it together

🕒 2 min

- ✓ **Check** Call two or three pairs (girl and boy, taking turns) to ask each other in front of the class.

If many learners say only one word when telling news → repeat your example on the board and have the whole class repeat the full sentence with you.

2 Phonics

🕒 15 min

🎯 Learners know and say the sound **c** and blend it with the vowels: ca, ce, ci, co, cu.

📁 cards: ca ce ci co cu

2.1 Review the sounds we know

👥 We do it together

🕒 2 min

When I point to a letter, say its sound aloud. Ready?

🗣️ Sounds we know

a e i o u m l b t s h

2.2 Teach the sound c

👤 I show

🕒 4 min

🗣️ Show on the board

C

This is the letter **c**. Watch my mouth. I put the tip of my tongue behind my top teeth and pull it away quickly. Listen: **c**!
My turn: **c**. Your turn...

💡 The sound **c** is not made with breath; it is made with the tongue. The tongue tip goes behind the top teeth and is pulled away quickly. Do not say it like **k** or **s**.

I will say words. Put up your hand when you hear the sound **c**.

👤 Say the words...

cela

iculo

isele

cima

umama

cula

2.3 Blend c with the vowels

👥 We do it together

🕒 5 min

Aa c + vowels

c + a

c + e

c + i

c + o

c + u

ca

ce

ci

co

cu

Look: **c** and **a** make **ca**. My turn: c... a... **ca**.
Your turn!
Now all together: c... e... **ce**. c... i... **ci**.

💡 Do not blend the sounds for the learners. Let them blend by themselves.

2.4 Read, then write

👤 You do it on your own

🕒 4 min

🗣️ Read these words

ca ce-la cu-la i-cu-lo ci-ma

When I point to a syllable, say the syllable.
When I draw a line under the word, read the whole word.

Now write **ca** on your paper. I say: **ca**.

✓ **Check** Call three learners (girl, boy, girl) to read 'ce-la'. Then everyone holds up their paper so you can see 'ca'.

🔄 **If** half the class cannot blend → tomorrow start with **ca** and **cu** only before teaching the new sound.

3 Shared reading

🕒 15 min

🎯 Learners predict the story from the book cover, 'read' the pictures, and make their own story about friends.

📁 wordless big book about friends

3.1 Look at the cover, predict

👥 We do it together

🕒 2 min

Look at the cover of this book. Who do you see in the picture? What are they doing?
What do you think this story is about? Why do you think so?

3.2 I read the pictures

👤 I show

🕒 4 min

This book has no words. We are going to 'read' the pictures. Watch, I will start: In the first picture I see two friends. They are playing ball. They are laughing.

Point to each picture with your finger, moving from left to right.

3.3 We make our story, and sing

 We do it together

⌚ 5 min

Now help me. What is happening in the second picture? Who can tell me one sentence?

Write each sentence they say on a chart — this is the class story. Call girls and boys in turn.

My friend

Any tune the class knows well

Words

My friend, my friend,

we are playing, we are playing,

we are laughing, we are laughing,

my friend!

Actions

put a hand on your friend's shoulder

pretend to kick a ball

laugh and clap your hands

hug your friend

3.4 Questions about the story

 You do it on your own

⌚ 4 min

🕒 Question 1

remember

What were the friends in the book playing?

Answer: They were playing ball (or another game they saw in the picture).

Turn to your friend and whisper the answer. Then I will call on two of you to say it.

🕒 Question 2

think

What do you do to be a good friend? Why?

Answer: Answers will differ; ask the learner to explain the reason.

4 Group guided reading

⌚ 30 min

- 🕒 Learners read aloud from their own book in a group, using the sounds they know (c, l, m, s, a, i, o, u).

📁 group readers, paper and crayons

4.1 Set up the groups

⌚ 2 min

 Today

Group 1 Reads with the teacher: short text 'The song'.

Group 2 Works alone: draw yourselves and your friend singing, and write **c** and **ca** underneath.

Group 2, take paper and crayons. When you finish, write **ca** three times.

4.2 Group 1 with the teacher

 We do it together

⌚ 13 min

Hold the book properly. Look at the picture. Who do you see?

Now point to the first word. Read it in syllables: i-cu-lo.

📖 **Iculo (The song)**

A song.

We sing.

We sing a song.

Mother sings a song.

We sing, we sing!

✓ **Check** Listen to each learner read one line aloud. Write down the words they cannot read.

4.3 Swap the groups

 You do it on your own

⌚ 15 min

Group 2 reads with you, group 1 draws and writes. Repeat the same steps.

Learners who need help: Read each syllable together, pointing with your finger.

Learners who finish first: Let them find every letter **c** on the page and count them.

5 Handwriting

⌚ 13 min

- 🎯 Learners form the lower-case letter **c** correctly, starting at the right place.

📎 unlined paper, pencils

5.1 Show on the board

👤 I show

⌚ 3 min

Everyone stand up and raise a hand. All together: start at the top on the right, curve to the left, go down, finish on the right!

5.3 Learners practise

👤 You do it on your own

⌚ 8 min

✍ Write c

Start at the top on the right, curve to the left, go down, finish at the bottom on the right.

C C C C C C C C

📎 Check that learners hold the pencil properly and start at the top on the right.

Learners who need help: Hold the learner's hand and write **c** together once.
