1 Listening and speaking

15 min

Learners answer questions about themselves in full sentences.

We will ask each other about our names, our ages and our families.

1.1 Review yesterday

We do it together 3 min

Yesterday we learnt about our bodies. Point to your **head**... Now point to your **hands**. Who can tell me the name of a body part we learnt yesterday?

✓ **Check** Call on two or three learners — a girl, a boy, a girl — to say one word each.

1.2 I answer questions about myself

I show 4 min

I will ask myself questions and answer them in a full sentence. Listen.

What is my name? **My name is** Nomsa.
Who do I live with? **I live with** my mother and my child.

Write on the board

My name is...
I am ... years old.
I live with...

1.3 Partner talk

You do it alone 6 min

Turn to your partner

A: What is your name?

B: My name is ____.

A: Who do you live with?

B: I live with ____.

Example: A: "What is your name?" B: "My name is Siphosiso." A: "Who do you live with?" B: "I live with my grandmother."

Learner A asks first, learner B answers.
When I clap twice, you swap.

Walk around the class. Listen for whether learners answer in a full sentence, not one word.

1.4 Sharing

We do it together 2 min

✓ **Check** Call pairs (girls and boys taking turns) to ask each other in front of the class.

If many learners answer with one word → repeat your example on the board, and have everyone repeat the full sentence with you.

2 Phonics

15 min

◎ Learners recognise and say the sound **m**, and blend it with vowels: **ma, me, mi, mo, mu**.

cards: ma me mi mo mu

2.1 Review the vowels and the sound u

We do it together 2 min

When I point to a letter, call out its sound.
Ready?

Vowels

a e i o u

2.2 Teach the sound m

I show

⌚ 4 min

Show on the board

m

This is the letter **m**. It makes the sound /m/, as in the word **umlomo** (mouth). Close your mouth: /mmm/.

My turn: /m/. Your turn...

I will say some words. Put your hand on your mouth if you hear the sound /m/.

Say the words...

umlomo
(mouth)

ikhanda
(head)

umama
(mother)

isandla
(hand)

umzimba
(body)

idolo (knee)

2.3 Blend consonant and vowel

We do it together

⌚ 5 min

Aa m + vowels

m + a

m + e

m + i

m + o

m + u

ma

me

mi

mo

mu

Look: **m** and **a** make **ma**. My turn: m... a... **ma**. Your turn!

Now all together: m... e... **me**. m... i... **mi**.

💡 Do not blend the syllables for the learners. Let them blend themselves.

2.4 Read, then write

You do it alone

⌚ 4 min

Read these words

ma ma-ma u-ma-ma u-ma
me-ma

When I point to a syllable, you say the syllable. When I draw a line under the word, you read the whole word.

Now write **ma** on your paper. I say: **ma**.

✓ **Check** Call on three learners (a girl, a boy, a girl) to read 'u-ma-ma'. Then everyone holds up their paper so you can see 'ma'.

🔄 **If** half the class cannot blend → tomorrow start with ma and mu only before teaching a new sound.

3 Shared reading

⌚ 15 min

👁️ **Learners read the enlarged action rhyme with the teacher, pointing to the words and doing the actions.**

📖 rhyme chart

3.1 Look at the chart and predict

We do it together

⌚ 2 min

Look at the chart. This is the title. What do you see in the picture?

What do you think the rhyme will be about?

3.2 I read and point

I show

⌚ 4 min

I will read the rhyme pointing to each word with my finger, from left to right. Listen, and watch my finger.

3.3 We read together with actions

 We do it together ⌚ 5 min

Now we will all read together and do the actions. First slowly, then fast!

Who can come to the board and point to the word **umlomo** (mouth)? Which sound does it start with?

 Check that all learners are looking at the chart and doing the right actions.

3.4 Questions about the text

 lined paper, pencils

5.1 Show on the board
